

Our Feeding Group Consultation Services are here!

Starting in September 2020, we will be offering remote bi-weekly group consultation to therapists who are seeking to increase their knowledge base and improve their clinical skills to treat pediatric feeding disorders. In each meeting, Laura Seiverling, PhD, BCBA-D, and Elise Jusko, CCC-SLP, will answer questions posed by clinicians, provide case consultation, share resources, and develop customized trainings specific to the clinical interests of those in the group.

Current Meeting schedule:

Mondays (1st and 3rd of each month) – 7:30-8:30 pm EST

Thursdays (2nd and 4th of each month)—9:00-10:00 am EST

Rate: \$30/per 1 hr session

***Additional meeting days and times may be offered depending on level of interest.**

Feeding group members have the option to pay bi-weekly or monthly for group consultation services.
